2. FINANCIAL PERFORMANCE

In the previous year's Directors' Report, the position of textile industry was highlighted, the impact of which was felt from the 3rd quarter of 2014-15. As mentioned therein, many companies had incurred losses due to substantial crash in raw material prices across the world and its impact was felt in India as well, resulting in value loss in inventories held. Further, cotton yarn export from India to China dropped, leading to fall in yarn prices, affecting performance of many mills including yours. Since then, the situation has only marginally improved. The yarn sale prices continue to remain under pressure

due to subdued global demand, besides higher yarn inventories on account of new spinning capacities set up in certain States, attracted by unduly high incentives and concessions offered by these States.

It was also mentioned in previous year's Directors' Report that the salaries and wages of your company's Unit at Aluva are abnormally higher as compared to Industry standards and for survival of this Unit, it is important that the same are brought down to the comparable level. As soon as the existing long term work load and wages agreement expired in January, 2015, your Management started negotiation to rationalize the work force and bring down the personnel cost. Even after protracted negotiation, the unions and the workmen were not co-operative and from November 2015, they resorted to obstructive policies resulting in substantial loss of production. This resulted in company loosing substantially in the year under review.

During the year under review, on account of the above explained factors as well as lower exports of traded goods, your company's total revenue was at ₹152.92 crores as against 185.98 crores. The operating profit was also lower at Rs.3.58 crores as against Rs.10.99 crores of previous year and after charging finance cost and depreciation, the loss was at Rs.9.91 crores as against Rs.4.47 crores of previous year.

The indisciplined working and loss of production continued in April, 2016 also and the Management was left with no other choice but to enforce lockout with effect from 2nd May, 2016. After a series of meetings before the Regional Joint Labour Commissioner, the matter was taken up by the Additional Labour Commissioner, Trivandrum. Finally on 2nd July, 2016, a Long Term Agreement was reached with the Unions for a period of 4 years. Simultaneously the lockout also was lifted from 3rd July, 2016 and a Voluntary Retirement Scheme (VRS) has also been announced to reduce the overall wage bill. Your Directors are glad to inform that the company has already achieved optimum capacity utilization.

3. DIVIDEND

Your company has incurred loss for the year and hence the Board is unable to recommend dividend for the financial year ended 31st March, 2016.

4. MANAGEMENT DISCUSSION AND ANALYSIS

A separate report on the Management Discussion and Analysis forms an integral part of this report.

5. DEPOSIT FROM PUBLIC

During the year under review, your Company has not accepted any deposits within the meaning of Section 73 and 74 of the Companies Act, 2013 read with the Companies (Acceptance of Deposits) Rules, 2014 (including any statutory modification(s) or re-enactment(s) for the time being in force).

DIRECTORS' REPORT (Contd...)

6. CORPORATE GOVERNANCE REPORT

In compliance with Regulation 34 of the Listing Regulations, a separate report on Corporate Governance alongwith a Certificate from the Auditors on its compliance, forms an integral part of this report.

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2016

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To

The Members of

M/s. GTN TEXTILES LIMITED

(CIN: L18101KL2005PLC018062)

I have conducted a Secretarial Audit of the compliance of applicable statutory provisions and adherence to good corporate practices by **GTN TEXTILES LIMITED** (here in after called "the Company"). I have conducted the Secretarial Audit in a manner that provided me a reasonable basis for evaluating the Company's corporate conducts/statutory compliances and expressing my opinion thereon.

I am issuing this report based on my verification of the books, papers, minutes books and other records maintained by the Company, forms and returns filed, compliance related action taken by the Company, during the financial year ended 31st March, 2016 and also after 31st March, 2016 but before the issue of this report and the information provided by the Company, its officers, agents and authorized representatives during my conduct of secretarial audit.

I hereby report that, in my opinion, during the audit period covering the financial year ended on 31st March 2016 (hereinafter referred to as "the year"), the Company has complied with the statutory provisions listed hereunder and also has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made here in after. The members are requested to read this report along with my letter of even date annexed to this report as Annexure-A.

1. I have examined the books, papers, minutes books and other records maintained by the Company and the forms and returns filed during the year according to the applicable provisions of:
 - i. The Companies Act, 2013 (the Act), the rules made there under.

MANAGEMENT DISCUSSION & ANALYSIS

GLOBAL TEXTILE INDUSTRY

The global textile and clothing trade after growing at an average CAGR of more than 7% during the period 2010-14, for the first time declined by around 6% to USD 745 billion during 2015. During 2014, the total world trade had reached USD 797 billion from USD 602 billion in 2010, showing continuous growth. Amongst the top 10 markets, while most of the countries showed decline during 2015, including India, China and US, only Vietnam and Bangladesh showed growth in exports of around 9% and 4% respectively.

The global fibre market continues to be dominated by synthetic fibres, which account for little over 60%. It is expected that globally, the cotton prices will stay close to or below long term averages for next few seasons. World cotton stocks, which continue to be high at around 90% of consumption, will also keep cotton prices on lower side. Due to this, cotton consumption will grow in absolute terms, but it's market share may remain around 30%.

INDIAN TEXTILE INDUSTRY

During the financial year 2015-16, exports of textiles & clothing from India exceeded \$35 billion but were 1.5% lower compared to previous year. While garment sector accounted for 48% of the exports, cotton yarn/fabrics/made-ups had 28% share, with remaining 24% comprising of man-made textiles, handicrafts, handmade carpets etc. According to the report of Labour Bureau, textiles and clothing sector generated maximum employment during 2015, outperforming the IT and auto sectors. As it is, the clothing and textiles industry has 12 % share of country's total exports, and employs close to 45 million people. India's share in the world trade in textiles and clothing was around 5%, as against 37% of China, and 4% each of Italy, Germany and Bangladesh. Among the other major exporters, U.S., Hong Kong, Vietnam and Turkey had a share of 3% each.

Technology Upgradation Fund Scheme (TUFS), which was introduced for textile industry from 1st April, 1999, has been further extended up to 31st March, 2022 with certain changes. A substantial part of spinning capacity was put up under the TUFS during this period and total investments attracted in the entire industry till March 2016, amounted to around ₹ 3 lakh crores.

The spinning capacity, cotton yarn production and cotton yarn exports for last five years are given below:-

Year	Spinning Capacity (Spindles-Million)	Production (Kg-Million)	Exports (Kg-million)	Exports (\$-Million)
2011-12	48.25	3126	749	2990
2012-13	49.17	3583	1108	3535
2013-14	49.64	3928	1310	4555
2014-15	50.14	4055	1253	3938
2015-16	51.26	4138	1325	3610

RAW COTTON SCENARIO

Global Cotton Production

After continuous build up of cotton stocks since 2009-10, mainly by China, the world stocks have reduced in 2015-16. This has, as much to do with Chinese government's decision to start liquidating its stock – nearly 50% of annual global consumption, as to the fact there was 15% decline in world cotton production. The size of cotton growing area has also been reduced by around 8% to 31.2 million hectare. During the recent past, alternative crops could fetch higher prices than cotton which encouraged farmers to move away from cotton to some extent. Further, weather conditions in many countries were not conducive which led to decrease in average yield from 765 kg/ha to 711 kg/ha i.e., almost 7%. However, in 2016-17, due to favourable conditions, cotton area under cultivation is expected to increase in Pakistan and U.S. as against likely decrease in India, China, Brazil and Uzbekistan. The average yield across the world is also expected to recover to some extent by around 3%. Though cotton production is likely to increase in 2016-17 in the world, it is estimated to be less than consumption requirement. Therefore, the stocks are also expected to decline to 19.5 million tons as against 22.2 million and 20.5 million respectively in 2014-15 and 2015-16.

The monthly average Cotlook A Index, which was 80.87 US Cents/lb in November 2012, reached a high of 96.95 in March 2014 and came down to 69 by the end of 2015. Currently on 20th June, 2016, the Cotlook Index was at 73.55 indicating that the cotton prices will remain on lower side.

MANAGEMENT DISCUSSION & ANALYSIS (Contd...)

Domestic Production Scenario

Cotton crop in India for the season 2015-16 (Oct. - Sept.) is estimated at 338 lakh bales of 170 kg. each as per estimates released by Cotton Association of India, against 382 lakh bales in 2014-15. As against this, production is estimated to be 370 lakh bales for 2015-16, and after considering opening stocks, imports, exports, etc., the carry forward stock at the end of the season is expected to be 43 lakh bales. However, in time to come, there is major change expected in cotton production i.e., Bt. Cotton is likely to be replaced with domestic cotton seeds due to its failure in several states. During 2015-16 crop year, substantial damage was caused to the crop by pink boll worm pests and white fly in Gujarat, Andhra Pradesh, Punjab, Haryana and Rajasthan. Many agricultural universities in India along with Central Institute of Cotton Research have been working to develop different varieties of Indian Bt. Cotton which will be cheaper. After adoption of Bt. Cotton, use of insecticides in India had reduced to 50%, besides the yield almost doubled. However, there was no serious implementation of integrated pest management as well as insect resistance management which resulted in boll worm resistance to the Bt. Cotton causing continuous damage, specially to the hybrid cotton.

As per latest reports, the coming season is likely to witness decline in total acreage to the extent of 7%, mainly on account of poor cotton sowing in Maharashtra and Telangana. The reason for poor sowing could be due to delayed Monsoon as well as its slow progress, besides possibility of farmers switching over to better options fetching higher realisations. Further, decline in cotton sowing in Punjab is attributed to white fly pest attack damaging the crops. However, this year Monsoon appears to be favourable with the result that overall shortfall in cotton as compared to previous year may not be much as cotton sowing area may increase as Monsoon progresses.

BUSINESS OVERVIEW, INDUSTRY DEVELOPMENTS, OPPORTUNITIES AND THREATS

The Company is engaged in business of manufacture and export of high quality combed cotton yarns. The yarn is manufactured from the world's best sources of long and extra long staple cotton like American Supima, Egyptian Giza, contamination free Australian and American cottons and superior Indian cotton like Shankar-6 and DCH-32. The company manufactures yarns of various counts ranging from NE 26s to NE 180s. Permutations and combinations in spinning and finishing process results in yarns of varied qualities for specific end users. The company was amongst the first in India to manufacture compact yarn using the breakthrough technology of compact spinning, and also uses state-of-art machineries at its plant. Presently, the company has a capacity of 58,864 spindles at Aluva in Kerala, consisting of 34896 Compact Spinning and 23968 Ring Spinning. The company has promoted Patspin India Limited which has 2 plants at Palakkad in Kerala and Ponneri in Tamil Nadu having a capacity of 113,856 spindles, consisting of 79,025 Compact Spinning and 34,831 Ring Spinning.

The promoters have 5 decades of experience in spinning industry with its first unit in Kerala in 1966. The company derives its strength from rich experience of promoters in marketing of cotton yarns in international market for over 3 decades. The company has built up an excellent customer base over the years by supplying consistent quality and timely deliveries of yarns. With flexibility to produce varied counts of cotton yarns, carded, combed, single and twisted, multi fold and gassed, the company is able to retain its customers.

For Spinning industry, raw material is cotton, which is a seasonal product, the cultivation of which is mainly rain-fed and as such dependent on vagaries of monsoon. Adequate availability of raw cotton at right price is crucial for the company. However, as import of cotton is freely allowed, and since the company is exporting substantial part of its production, the risk of cotton availability as well as exchange rate fluctuation is largely mitigated.

According to recent study carried out by CII (BCG), the textile sector can generate up to 50 million jobs within next 9 years, considering shift of textiles and garment manufacturing operations from China, due to increase in labour cost in there. With China's huge share in world trade in this industry, there could be easily an opportunity of more than \$ 200 billion in favour of other developing countries. Since Indian textile industry is well established covering full value chain, from fibre to fashion, it stands to gain from this.

As regards developments in the industry and your company's performance for the year under review in relation to those developments, the same has been explained in greater details in Director's Report under Performance Review.

RISK AND CONCERNS

- a. Raw Cotton, an agricultural product, is the key raw material used for the manufacture of cotton yarn. Almost 65 percent of area under cotton cultivation is rain-fed and hence is dependent on vagaries of monsoon, which this year has shown uncertain signs so far. Adequate availability of raw cotton at right prices is crucial for the Company. Any disruption in the supply and/or violent changes in the cost structure would affect the profitability of the Company.
- b. Your Company follows an efficient inventory management system and a well-crafted strategy of procuring raw materials through a mix of spot and long-term contracts. The company's conscious efforts on maintaining a judicious mix of markets for its sales and thrust on speciality products like Organic, Fair Trade, Better Cotton Initiative (BCI), Supima yarns, Giza yarns have also proved to be beneficial

MANAGEMENT DISCUSSION & ANALYSIS (Contd...)

- c. Volatility in foreign currency exchange rates vis-a-vis Indian Rupee is another area of concern since a sizable production of cotton yarn is exported by your company. The Company has in place various Management Information Systems, which enable the management to take decisions on exposures relating to exports, imports, foreign currency loans, etc. The Company continues to strengthen these systems to minimize the risk involved due to adverse movement of exchange rates.
- d. Your Company has a system of assessing the risks on an ongoing basis. This includes an effective internal control and management reporting system. Further, the framework also captures the existing practices to manage commodity price risk, interest risk, and foreign exchange risk etc. An important aspect of this framework is to promote a balanced approach that considers risk and return.
- e. An area of concern is rapid expansion of spinning capacity in the country without commensurate increase in downstream weaving, knitting and garmenting sectors. This has resulted in surplus cotton yarn production, and spinning units had to export yarn at very low prices, specially to China. One of the main reason for rapid expansion of spinning capacity in States like Gujarat, Maharashtra, Andhra Pradesh, Madhya Pradesh etc. was unduly high incentives and concessions granted to the new entrants. Since their cost of production is lower by 10-15% as compared to the existing units, it has resulted in many companies incurring losses or earning insufficient profit to repay the loans, and turning into NPAs. The government must ensure that such disproportionate incentive schemes should be scrapped and a level playing field prepared.

However, recently, the government has announced Rs.6000 crores package to create 10 million new jobs in three years in the ready made garment industry. They are likely to extend the similar benefits to made-ups and fabric sectors also. In the long run, this will help correct the imbalance in spinning capacity as the domestic consumption should increase. In the meanwhile, the government has been requested to restore the benefits which the spinning industry was enjoying, namely, interest subvention scheme, 3% IES export benefits and 2% MEIS on par with other textile products till the supply demand mismatch is eased out. The government should also expedite conclusion of FTAs with major markets, particularly, EU.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has a proper and adequate internal control system to ensure that all assets are safeguarded and protected against loss from unauthorised use or disposition and that all transactions are authorized, recorded and reported correctly.

The internal control is supplemented by an extensive programme of internal audits, review by management and documented policies, guidelines and procedures. The internal control is designed to ensure that financial and other records are reliable for preparing financial statements and other data and for maintaining accountability of assets.

We have audited the accompanying standalone financial statements of GTN Textiles Limited ('the Company'), which comprise the Balance Sheet as at 31st March 2016, the Statement of profit and loss and the Cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2016 and its loss and its cash flows for the year ended on that date.

ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of GTN Textiles Limited ("the Company") as on 31 March 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies,

Annexure - B to the Independent Auditors' Report (Contd.)

the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as on 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2016

1 Summary of significant accounting policies

a. Basis of preparation

The financial statements are prepared to comply with the mandatory Accounting Standards prescribed in the Companies (Accounting Standards) Rules 2006, (as amended) issued by the National Advisory Committee on Accounting Standards and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention, on the basis of a going concern and on accrual basis.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 (twelve) months for the purpose of current and non current classification of assets and liabilities.

b. Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of financial statements and reported amounts of revenue and expenses of that year. Actual result could differ from these estimates. Any revision to accounting estimates is recognised prospectively.

c. Fixed Assets

(i) Tangible Assets/Intangible Assets are stated at cost net of accumulated depreciation/amortisation and impairment, if any. The Cost Comprises its purchase price and any cost directly attributable to bringing the asset to its working condition for its intended use. Fixed assets are eliminated from financial statements, either on disposal or when retired from active use. Also refer Policy G and H below. Losses arising from the retirement of, and gains or losses arising from disposal of fixed assets are recognised in the Statement of Profit and Loss.

(ii) Impairment of Assets : The company assesses at each Balance Sheet date whether there is any indication that any asset (both tangible and intangible) may be impaired, if any such indication exists, the carrying value of such assets is reduced to recoverable amount and the impairment loss is charged to Statement of Profit and Loss. If at the Balance Sheet date there is any deduction that a previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to that extent.

d. Investments

Long term investments are stated at cost less provision, if any for other than temporary diminution in the value of investments.

e. Inventories

Inventories are stated at lower of cost and net realisable value. Goods in process is stated at cost. The cost includes cost of purchase, cost of conversion and other cost incurred in bringing the inventories to their present location and condition. Cost formula used are "Weighted Average Method" or "Specific Identification method" as applicable.

f. Revenue Recognition

Sales are recognised as and when risks and rewards of ownership are passed on to the buyer and ultimate realisation of price is reasonably certain.

Export Sales are inclusive of deemed exports while domestic sales are net of Value Added Tax.

g. Borrowing Cost

Borrowing costs attributable to acquisition and construction of qualifying assets are capitalised as a part of the cost of such asset upto the date when such asset is ready for its intended use. All other Borrowing costs are charged to Statement of Profit and Loss.

h. Depreciation

Depreciation has been provided on straight line method based on useful life of Assets as prescribed in Schedule II to the Companies Act, 2013.

Plant and equipments have been, on technical assessment, considered as continuous process plants as defined in the said Schedule and depreciation has been provided accordingly.

Intangible Assets are amortised based on their estimated useful lives.

i. Employee Benefits

Short Term employee benefits including accrued liability for Leave Encashment (other than termination benefits) which are payable within 12 (twelve) months after the end of the period in which the employees render service are paid/ provided during the year, as per the Rules of the Company.

Defined Contribution Plans:

Retirement benefits in the form of Provident Fund, Family Pension Funds, Superannuation Fund (wherever opted) and ESIC are defined contribution scheme and the contributions are charged to the Statement of Profit and Loss of the period when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective trusts.

Defined Benefit plans:

The Company provides for Gratuity, a defined benefit retirement plan, covering eligible employees. The scheme is

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2016 (Contd.)

funded with Life Insurance Corporation of India. Liability under Gratuity plan is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial period.

Termination Benefits:

Payments under Voluntary Retirement Scheme, if any are recognized in the Statement of Profit and Loss of the year in which such payments are due.

j. Foreign Currency Transactions

Transactions in Foreign Currency are recorded at the rate of exchange in force at the date of transactions.

Foreign Currency assets and liabilities both monetary and non monetary are stated at the rate of exchange prevailing at the year end and resultant gains/losses are recognised in the statement of profit and loss. Premium / Discount in respect of Forward Foreign Exchange contracts are recognised over the life of the contracts.

k. Taxation

Income Tax expenses comprises Current Tax and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the year, unabsorbed depreciation or carry forward loss under taxation laws).

Deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted on the Balance Sheet date.

Deferred tax assets are recognised only to the extent that there is reasonable certainty that the assets can be realised in future; however where there is unabsorbed depreciation or carry forward losses, deferred tax assets are recognised only if there is virtual certainty of realisation of such assets. At each balance sheet date the Company re-assesses the deferred tax assets.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

Minimum Alternative Tax credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period and is reviewed at each balance sheet date.

l. Provisions and Contingent Liabilities

Provisions: Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date and are not discounted to its present value.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is termed as a contingent liability.

m. Cash and Cash Equivalents

In the cash flow statement, cash and cash equivalents includes cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

n. Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

CONSOLIDATED INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GTN TEXTILES LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of GTN Textiles Limited (herein after referred to as "the Holding Company" of "the Group") and its associate company comprising of the Consolidated Balance Sheet as at 31st March 2016, the Consolidated Statement of profit and loss and the Consolidated Cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows, of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Boards of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the holding company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Group as at 31 March 2016 and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matters

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below is not modified in respect of the above matters with respect to our reliance on the work done and the financial statements certified by the Management.

ANNEXURE - A TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2016 we have audited the internal financial controls over financial reporting of GTN Textiles Limited (herein after referred to as "the Holding Company") and its associate as on 31 March 2016.

Management's Responsibility for Internal Financial Controls

The respective Boards of Directors of the Holding Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Annexure - A to the Independent Auditors' Report (Contd.)

Auditors' Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary company in terms of their report referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding company have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as on 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2016

1 Summary of significant accounting policies

a. Basis of preparation of the Financial Statements:

- (i) These Consolidated financial statements have been prepared to comply with Generally Accepted Accounting Principles in India (Indian GAAP), including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013.
- (ii) Company has only one associate and no subsidiary and joint venture. These Consolidated Financial statements are prepared for the first time to comply with the requirements of Section 129(3) of the Companies Act, 2013.

b. Principles of Consolidation:

The Consolidated financial statements relate to GTN Textiles Limited (“the Company”) and its associate. The consolidated financial statements have been prepared on the following basis.

- a) Investment in Associate Companies has been accounted under the equity method as per Accounting Standard(AS) 23- “Accounting for Investments in Associates in Consolidated Financial Statements.”
 - b) The Company accounts for its share of post acquisition changes in net assets of associate, after eliminating unrealised profits and losses resulting from transactions between the Company and its associate, to the extent of its share, through its Consolidated Profit and Loss Statements, to the extent such change is attributable to the associate’s Profit and Loss Statements and through its reserves for the balance based on available information.
 - c) As far as possible, the consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company’s separate financial statements.
- c. Investments other than in associate have been accounted as per Accounting Standard (AS) 13 on “Accounting for investments.
